THE TRUSTED NERD

Technology at work for you

CUSTOM SOLUTIONS

The Trusted Nerd has experience in ASP.NET, Java, C++, and SQL and MS Access scripting. Let us develop a custom solution for your business. Maybe you'd like an Intranet that your employees can access to fill out web-based forms? Maybe you'd like to automate a process?

We can help!

WEB SOLUTIONS

The Trusted Nerd can develop simple one-page static web pages to fully dynamic web applications. Have you always wanted a family web site to show off or maybe a place for people to find your business on the Internet.

We can help!

EQUIPMENT REPAIR & DATA RECOVERY

Do you have a broken computer you would like to use again? Is there data on that laptop that just crashed? Let The Trusted Nerd assist you in regaining your computer life after a major system crash.

We can help!

flexible solutions

for your business & home needs.

THE TRUSTED NERD PROVIDES A TOTAL END TO END SOLUTION.

IT STAFFING SOLUTIONS

Is your business IT structure too big for you to handle, but not large enough to staff a full time professional? Let The Trusted Nerd help. The Trusted Nerd is ready to tackle your IT infrastructure to let you get back to what you enjoy doing; running your business.

HOME SYSTEM SOLUTIONS

Do you avoid using your computer because it's not working correctly? Does your Internet seem to be running slow? Are there start-up problems when you turn on the computer? Is a virus or spyware threatening your online security? Let The Trusted Nerd help. We are experienced in getting your computer tuned and ready to go when you are.
